Patterson & Sheridan, L.L.P., Named Go-To Law Firm for Technology Companies

HOUSTON, TEXAS – Patterson & Sheridan, L.L.P., has been named a **Go-To Law Firm for Technology Companies** by the publishers of Incisive Media's *Corporate Counsel*[®] magazine, the nation's leading magazine for general counsel and in-house attorneys at corporations across the country.

Researchers asked general counsel at the leading technology services companies which outside law firms they turn to for assistance. Incisive Media's research department also investigated and gathered data on technology companies' "Go-To Law Firms[®]" from various key databases.

Patterson & Sheridan was named a Go-To Law Firm[®] for its work with three of the firm's clients for intellectual property representation.

In July, Patterson & Sheridan will appear in a new reference guide published by ALM called, *In-House Law Departments at the Leading Technology Companies*. The guide will include detailed profiles and contact information for general counsel at these corporations, as well as listings of their current outside "Go-To Law Firms[®]" in various practice areas, including litigation, securities, transactions, compliance and intellectual property.

The Guide was developed in response to a research study of *Corporate Counsel* readers that revealed that in-house legal department information on the Technology industry was a top priority of respondents. It will be distributed to more than 10,000 general counsel at technology companies, and will be available on the Web at www.law.com.
